

**VersiGard® QA Reinforced EPDM**  
**July 15, 2020****To: Versico Roofing Systems' Authorized Contractors**

Versico Roofing Systems is pleased to introduce its Reinforced QA (Quick-Applied) EPDM. Featuring time-tested and trusted 3" Quick-Applied Tape (QAT), this labor-saving membrane can be used to complete adhered EPDM projects in much less time.

Test market results over the past four years indicate very high satisfaction with the ease and speed of application, as well as with the field performance after installation. QA Reinforced EPDM is known for its added puncture resistance, and QA rolls are available in the sizes listed below.

Product Code	Description	Stocking Location
326417	.060 QA Rein EPDM 10' x 50' w/3" QAT	Carlisle, PA
326418	.060 QA Rein EPDM 10' x 100' w/3" QAT	Carlisle, PA

Taking advantage of this new Quick-Applied Technology on EPDM can allow your company to complete more re-roofing projects per year while minimizing disruption to the existing business or building occupants with the speed of application and lack of adhesive odors.

For more information, refer to the VersiGard QA Reinforced EPDM Membrane Technical Data Bulletin and QA installation details.

If you have any questions, or for more information, please contact your Versico Independent Sales Representative.

Sincerely,

Ronald L. Goodman  
EPDM Marketing Manager
