

# MARKETING ANNOUNCEMENT

Authorized Applicator

**Spray Training and Innovation Center Opening  
March 15, 2023**

## **To: Carlisle SynTec Systems' Authorized Applicators**

Carlisle SynTec Systems is pleased to announce the launch of Flexible FAST™ Adhesive & Rig Training in the company's new, state-of-the-art Spray Training and Innovation Center in Carlisle, PA. This training class provides in-depth content on Flexible FAST dispensing equipment in hot and cold temperatures.

Attendees will receive an overview of different equipment utilized in the field as well as review FleeceBACK® membranes, FleeceBACK details, and Flexible FAST Adhesives. Each class will focus on the HULK and Patriot Jr. spray rigs, and attendees will learn all the ins and outs of startup, operation, shutdown, maintenance, troubleshooting, and repair.

[Click here](#) for more information about Flexible FAST™ Adhesive & Rig Training and the rest of Carlisle's Continuing Roofing Education & Workshops (C.R.E.W.).

Sincerely,

A handwritten signature in black ink that reads "Brian Calaman".
