

# ALERT

Expansion of 16' Sure-Weld® TPO Product Line  
March 2026

**To: Carlisle SynTec Systems' Authorized Applicators**

Carlisle SynTec Systems is pleased to announce the expansion of our 16' Sure-Weld® TPO product line.

**New 16' High Slope (HS) TPO**

16' Sure-Weld TPO is now available in a High Slope option. This Carlisle-exclusive product is ideal for large, wide-open projects with few penetrations that need a high slope rating. Carlisle's 16' Sure-Weld High Slope (HS) TPO meets Class A fire rating requirements for steep-slope applications, enabling its use on projects with a slope exceeding 1/2". The wide width of the sheets translates to a faster installation, fewer seams, and improved jobsite productivity. Carlisle's new 16' HS TPO is available in white and gray 60- and 80-mil thicknesses.

**Sure-Weld 16' Standard Formula TPO Now Features SeamShield Technology:**

Carlisle's 16' standard formula TPO membranes now feature SeamShield for a factory-clean weld surface on every job. SeamShield® helps improve seam strength and long-term durability while supporting consistent, high-quality installations in the field. It also saves applicators time and money since seam cleaning is not required.

Product Code	Description	Weight	Stocking Location
360493	60-mil 16' x 100' TPO w/ SeamShield - White	520 lbs/roll	Lead Time
360496	60-mil 16' x 100' TPO w/ SeamShield - Gray	520 lbs/roll	Lead Time
360499	60-mil 16' x 100' TPO w/ SeamShield - Tan	520 lbs/roll	Lead Time
360494	80-mil 16' x 100' TPO w/ SeamShield - White	730 lbs/roll	Lead Time
360497	80-mil 16' x 100' TPO w/ SeamShield - Gray	730 lbs/roll	Lead Time
360500	80-mil 16' x 100' TPO w/ SeamShield - Tan	730 lbs/roll	Lead Time
360581	60-mil 16' x 100' TPO HS - White	580 lbs/roll	Lead Time
362172	60-mil 16' x 100' TPO HS - Gray	580 lbs/roll	Lead Time
360582	80-mil 16' x 100' TPO HS - White	762 lbs/roll	Lead Time
362173	80-mil 16' x 100' TPO HS - Gray	762 lbs/roll	Lead Time
