

**New 5' VersiFleece® PVC/KEE
September 3, 2025**

To: Versico Roofing Systems' Authorized Contractors

Versico Roofing Systems is pleased to introduce 5' VersiFleece PVC and KEE membranes in lengths of 100' and 75'. Membranes will be available in both 115- and 135-mil thicknesses. This product is ideal for complex projects with multiple penetrations or jobs with small surface areas.

Made with aesthetics in mind, this product will be available in a variety of colors including white, gray, light gray, and tan.

Product Code	Description	Weight
360238	115-mil White PVC VersiFleece - 5' X 100'	232 lbs.
360443	115-mil Gray PVC VersiFleece - 5' X 100'	232 lbs.
360239	135-mil White PVC VersiFleece - 5' X 75'	226 lbs.

Product Code	Description	Weight
