

Sure-Weld® TPO

Roofing System Accessories

A ready reference guide for ordering TPO Accessories for your next job.
 Sure-White EPDM PS Accessories are also available for use on Carlisle's Sure-Weld TPO.

Molded Sealant Pockets

Interlocking, two piece, injection molded weldable pockets used to waterproof pipe clusters or other odd shaped penetrations. Used in conjunction with One-Part Pourable Sealer.

Sizes Available	Product Number	Color
6" wide x 2" high Can be adjusted from 7½" to 11½" in length	316539	White
	316540	Gray
	316541	Tan

Quantity	5 complete pockets per box
----------	----------------------------

Yellow Pressure-Sensitive Warning Strip

A nominal 30-mil-thick non-reinforced TPO flashing laminated to a nominal 30-mil thick fully cured synthetic rubber PS adhesive. Yellow PS Coverstrip can be applied to EPDM and TPO roofing systems to provide a visual warning of an impending hazard (i.e. roof edge, deep drain sump, skylight).

Sizes Available	Product Number
6" x 100'	325721

Quantity	2 rolls per box
----------	-----------------

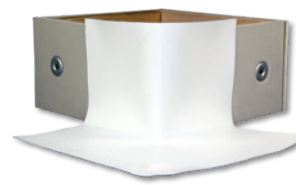

Universal Corners

Pre-molded and used for flashing inside and outside corners on new construction installations where right-angled conditions are more common. Installation is fast and easy with no stretching required. Available in White, Gray, and Tan.

Sizes Available	Product Number	Color
One Size	318070	White
	327601	Gray
	327602	Tan

Quantity	20 per box
----------	------------

Curb Wrap Corners

Fabricated flashings made of 60-mil reinforced Sure-Weld detail membrane designed to reduce curb flashing time. Each corner has a 6" wide base flange and a 12" overall height. One curb will require 4 corners.

Sizes Available	Product Number	Color
7" Wrap for 12" Curb	305062	White
13" Wrap for 24" Curb	305063	
19" Wrap for 36" Curb	305064	

Quantity	12 pieces or 3 complete curbs per box
----------	---------------------------------------

Pre-molded and used for flashing corners on a variety of details.

1 – Outside Corners

Sizes Available	Product Number	Color
4½"	300016	White
	300020	Gray
	300025	Tan

Quantity	12 per bag
----------	------------

2 – Inside Corners

Sizes Available	Product Number	Color
4½"	307406	White
	307408	Gray
	307407	Tan

Quantity	12 per bag
----------	------------

Non-Reinforced Flashing

Non-reinforced TPO membrane used to field-fabricate pipe flashings and scuppers when the use of a pre-molded accessory is not feasible.

Sizes Available	Product Number	Color
12" x 50'	30047	White
	300479	Gray
	300476	Tan
24" x 50'	300474	White
	300480	Gray
	300477	Tan
	332963	Medium Bronze
	328056	Rock Brown
	328047	Terra Cotta
	328053	Slate Gray
	328050	Patina Green

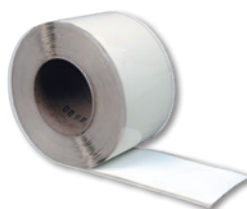

Quantity	1 roll per box
----------	----------------

CAV-PRIME

CAV-PRIME system features Carlisle's TPO Primer or Low-VOC EPDM & TPO Primer packaged in pressurized cylinders for fast application using a spray gun and roller.

Product	Product Number	Sizes Available
CAV-PRIME Low-VOC EPDM & TPO Primer	341449	Small Cylinder (#20) - 32 lbs
CAV-PRIME TPO Primer	341448	Small Cylinder (#20) - 27 lbs
CAV-PRIME LVOC Hose & Gun Cleaner	341407	Mini Cylinder (#16) - 13 lbs
CAV-PRIME 3' Spray Gun	341897	
CAV-PRIME Backpack	341898	
CAV-PRIME Applicator Clamp Kit	341228	

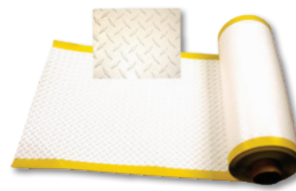

TPO Pressure-Sensitive Coverstrip

Non-reinforced TPO laminated to a pressure-sensitive tape used for stripping in flat metal flanges such as drip edge.

Sizes Available	Product Number	Color
6" x 100'	303102	White
	303103	Gray
	303104	Tan

Quantity	2 rolls per box
----------	-----------------

Walkway Rolls

Designed to protect the Sure-Weld membrane in areas exposed to repetitive foot traffic and other hazards. Stocked in white, tan and gray.

Sizes Available	Product Number	Color
34" x 50'	310508	White
	310509	Gray
	310510	Tan

Quantity	1 roll per box
----------	----------------

Crossgrip Walkways

An open grid walkway used to protect the membrane from regular foot traffic and other hazards.

Sizes Available	Product Number	Color
3' x 33'	332633	White
	332634	Gray
	341122	Yellow

Quantity	Packaged individually
----------	-----------------------

Molded Pipe Seals

Injection-molded, pre-formed flashings for pipes. Includes stainless steel clamping rings.

Sizes Available	Product Number	Color
¾" – 8" diameter	316534	White
	316535	Gray
	316536	Tan

Quantity	8 per box
----------	-----------

T-Joint Covers

Pre-punched non-reinforced flashings used to seal intersections on 60 and 80-mil TPO membranes.

Sizes Available	Product Number	Color
4½"	307476	White
	307478	Gray
	307477	Tan

Quantity	100 per box
----------	-------------
