

## **Applicator Certification Seminar**

Tuesday – Day 1	
Time	Topics
8:00 am — 8:30 am	<ul><li>» Welcome (Introductions)</li><li>» Logistics</li><li>» History</li><li>» Safety</li></ul>
8:30 am — 12:00 pm	<ul> <li>Intro to EPDM (Classroom Section)</li> <li>Deck Types</li> <li>Insulation Plates and</li> <li>Fasteners</li> <li>System Types</li> </ul> <ul> <li>Primers and Tapes</li> <li>Mechanically Fastened Details</li> <li>Seams, 9" RUSS, 6" RUSS</li> </ul>
	<ul> <li>Hands On – EPDM (Mock-up Room Section)</li> <li>6" and 9" RUSS</li> <li>Mechanically Fastened Seams</li> <li>End Lap Seams</li> <li>T-Joint Covers</li> </ul>
	<ul> <li>EPDM – Adhered systems (Classroom Sections)</li> <li>Bonding Adhesives</li> <li>EPDM Accessories</li> </ul>
	<ul> <li>» Details (Mock Up Room Section)</li> <li>- Bonding Adhesive Demo vs. Cav-Grip</li> <li>- Curb Details</li> <li>- Corner Details</li> </ul>
12:00 рм — 1:00 рм	Lunch
1:00 рм — 5:00 рм	<ul> <li>» Details in the Classroom</li> <li>- Single-ply Accessories</li> <li>- Scupper Details</li> <li>- Drain Details</li> <li>- Termination Details</li> </ul>
	<ul> <li>Hands on Details (Mock-up Room Sections)</li> <li>Field Fabricated Pipe Wrap</li> <li>Pourable Sealer Pocket</li> <li>Insulation Details (Classroom Section)</li> <li>Homework</li> </ul>

## **Applicator Certification Seminar**

Wednesday – Day 2	
Time	Topics
8:00 am — 12:00 pm	<ul> <li>Intro to Thermoplastics (Classroom Section)</li> <li>Membrane Types</li> <li>Thermoplastic Specialty</li> <li>Products (APEEL/Contour Ribs)</li> <li>System Types</li> <li>Welders and Welding Guides</li> <li>Test Welds, Probing, and Cut Edge Sealant</li> </ul>
	<ul> <li>Hands On – Thermoplastics (Mock-up Room Section)</li> <li>Welding Using the Automatic Welder</li> <li>Welding Mechanically Fastened Seams on the Table</li> <li>Welding End Lap Seams</li> <li>T-Joint Covers</li> </ul>
	<ul> <li>Adhered Systems &amp; Induction Welded Systems (Classroom Sections)</li> <li>Bonding Adhesives</li> <li>TPO Accessories</li> </ul>
	<ul> <li>» Details (Mock-up Room Section)</li> <li>- Induction Welding Demo</li> <li>- Curb Details</li> <li>- Corner Details</li> </ul>
12:00 рм — 1:00 рм	Lunch
1:00 pm — 5:00 pm	<ul> <li>» Details in the Classroom</li> <li>- Single-ply Accessories</li> <li>- Scupper Details</li> <li>- Drain Details</li> <li>- Termination Details</li> </ul>
	<ul> <li>Hands On Details (Mock-up Room Sections)</li> <li>Field Fabricated Pipe Wrap</li> <li>Split Pipe Seals</li> <li>Pourable Sealer Pocket</li> <li>White EPDM on TPO</li> </ul>
	<ul><li>» Details in the Classroom</li><li>- Metal Edging</li><li>- Homework</li></ul>

## **Applicator Certification Seminar**

Thursday – Day 3	
Time	Topics
8:00 am — 9:30 am	<ul> <li>» Specialty Systems (Classroom Sections)</li> <li>- Moisture Migration</li> <li>- Vapor Barriers</li> <li>- Flexible FAST Adhesive</li> </ul>
9:30 ам — 10:15 ам	<ul> <li>Specialty Systems (Mock-up Section)</li> <li>Flexible FAST Insulation</li> <li>Attachment</li> <li>FleeceBACK Installation</li> <li>(Deck and Walls)</li> <li>RapidLock Demo</li> </ul>
10:15 ам — 10:45 ам	<ul> <li>» Self Adhered Technology (Classroom)</li> <li>- Warranties</li> <li>- Details</li> <li>- LiquiSeal</li> </ul>
10:45 ам — 11:15 ам	» Self Adhered Technology Demos - TPO - EPDM
11:15 ам — 11:30 ам	<ul> <li>Conclusion to the Week</li> <li>Recycling</li> <li>Website</li> <li>Surveys</li> <li>Inspection Process and Warranties</li> </ul>
