

ROOF GARDEN

Stained Glass Stone

Overview

Carlisle's Stained Glass Stone is a beautiful addition to any roof garden or plaza. With 12 colors to choose from, the possibilities are endless for designing anything from faux water features to company logos. With 100% post-consumer recycled content, Stained Glass Stone is an environmentally intelligent choice to turn your roof garden or plaza into a dazzling oasis.

Features and Benefits

- » 100% post-consumer recycled material
- » 12 color options give incredible aesthetic effects
- » Available in 50-pound increments with a minimum order of 500 pounds
- » Large particle-size and high density prevents scouring
- » Included in Carlisle's single-source warranty
- » Eligible for LEED® Credits

Installation

Carlisle's Stained Glass Stone is delivered in SuperSacks containing up to 3,000 pounds of material. Material is hoisted to the rooftop and deposited over a 1" + thick drainage composite, such as Carlisle's MiraDRAIN® G4. Carlisle's Stained Glass Stone is applied at a minimum of 10 pounds per square foot.

Review Carlisle specifications and details for complete installation information.
