

# INVESTING IN SOLUTIONS FOR OVER 100 YEARS

For more than half a century, Carlisle Construction Materials Incorporated (CCM) has been creating solutions for the construction industry. Beginning with single-ply roofing membranes, Carlisle Construction Materials has expanded its strong and progressive manufacturing practices into all aspects of commercial and residential roofing, waterproofing, HVAC and insulation, covering buildings inside and out with quality materials. Carlisle Construction Materials offers manufacturing and distribution nationwide, creating a network of reliable construction material resources across the country.

## Commercial Roofing

 <p><b>CARLISLE</b> SYNTEC SYSTEMS www.carlislesyntec.com</p>	<p>Carlisle SynTec Systems has been the leader in the commercial single-ply roofing industry for more than 50 years. Carlisle SynTec's product offering includes EPDM, TPO, PVC, and FleeceBACK® membranes, as well as a full line of accessories. The company also manufactures insulation, adhesives, primers, and membrane cleaners. Additionally, Carlisle SynTec provides the building industry with metal roofing, coatings, sealants, vegetated roof components, skylights, pavers, and edge metal.</p>	<p>P.O. Box 7000 Carlisle, PA 17013 (800) 479-6832</p>
 <p><b>VERSICO</b> ROOFING SYSTEMS www.versico.com</p>	<p>Versico Roofing Systems was formed in 1993 and has focused its efforts on quality products and exceptional service. Versico's product offerings include EPDM, TPO, PVC, and fleece-backed membranes; in addition to roof garden systems and a complete line of insulation and accessory products. Versico is one of the top three single-ply roofing system manufacturers in the United States.</p>	<p>P.O. Box 1289 Carlisle, PA 17013 (800) 992-7663</p>
 <p><b>WEATHERBOND</b> ROOFING SYSTEMS www.weatherbondroofing.com</p>	<p>WeatherBond offers easy-to install, competitively priced, and nationally distributed single-ply roofing systems. WeatherBond's product offering includes EPDM, TPO, and PVC membranes as well as a full line of accessories for each system.</p>	<p>P.O. Box 251 Plainfield, PA 17013 (866) 471-5125</p>
 <p><b>HUNTER</b> <b>XCI</b> HUNTER www.hpanels.com</p>	<p>Hunter Panels and Hunter Xci are industry leaders in discretionary thermal efficient Polyiso insulation for roof and wall applications. Answering the call for over 20 years Hunter Panels provides the best in customer service and technical support while focusing on creating sustainable products and reducing a buildings carbon footprint.</p>	<p>15 Franklin Street Portland, ME 04101 (888) 746-1114</p>
 <p><b>CARLISLE</b> CCM EUROPE www.ccm-europe.com/gb</p>	<p>CCM Europe is the leading manufacturer of EPDM roof sealing sheets with market-leading brands that offer all architects, contractors, roofers, and distributors the right solution for virtually every sealing project be it flat roof, façade, or building.</p>	

## Architectural Metals

 <p><b>DrexelMetals</b> Roofing Systems + Custom Fabrication A CARLISLE COMPANY www.drexmet.com</p>	<p>Drexel Metals provides a full range of superior-quality engineered metal roofing systems, equipment, perimeter edge metals, and custom fabrication services. In addition to our own manufacturing, we extend our fabrication capacities to our local DM-ARM members, who are authorized fabricators, certified installers, and distributors that further market Drexel Metals' proven-brand products; all site-certified by Drexel Metals' industry-leading warranty programs.</p>	<p>1234 Gardiner Lane Louisville, KY 40213 (888) 321-9630</p>
 <p><b>PAC-CLAD</b> PETERSEN A CARLISLE COMPANY www.pac-clad.com</p>	<p>Petersen manufactures PAC-CLAD architectural metal cladding products in multiple gauges of steel and aluminum. PAC-CLAD products include standing seam roof panels, hidden- and exposed-fastener wall panels, flush- and reveal-joint panels, vented or solid soffit panels, perforated metal, coil and flat sheet, composite panels, column covers, plus fascia and coping. All are available in Kynar 70% PVDF finish in 45 standard colors that include a 30-year finish warranty. Most colors meet LEED requirement, and are rated by the Cool Roof Rating Council.</p>	<p>1005 Tonne Road Elk Grove Village, IL 60007 (800) PAC-CLAD</p>

## Diversified Products

 <p><b>INSULFOAM</b> A CARLISLE COMPANY www.insulfoam.com</p>	<p>Insulfoam is the nation's largest manufacturer of block-molded expanded polystyrene (EPS). Insulfoam offers a wide range of faced, laminated, and standard high performance EPS insulation products.</p>	<p>6004 N. Westgate Blvd. Suite 120 Tacoma, WA 98406 (800) 248-5995</p>
 <p><b>ULTIMATE RB</b> A CARLISLE COMPANY www.ultimaterb.com</p>	<p>Ultimate RB is a manufacturer of premium rubber products, including a variety of surfacing products that provide excellent durability and superior comfort, safety, sound absorption, and more. Applications include fitness clubs, commercial buildings, industrial facilities, residences, farms, and numerous other uses. Ultimate RB products are innovative and eco-friendly. It is one of the largest tire recyclers in the USA and keeps an estimated 80 million pounds of waste out of landfills every year.</p>	<p>904 NE 10<sup>th</sup> Avenue McMinnville, OR 97128 (800) 525-5530</p>
 <p><b>CARLISLE</b> HVAC BRANDS www.carlislehvac.com</p>	<p>Carlisle HVAC Brands encompasses Hardcast Duct Sealants and Adhesives, DynAir Airflow Hardware, and the Nexus 4 Bolt Flange Closure System. As an industry leader, Carlisle HVAC Brands supplies superior products and engineered solutions to ensure the sustainability of your HVAC system.</p>	<p>900 Hensley Lane Wylie, TX 75098 (877) 495-4822</p>
 <p><b>CARLISLE</b> ROOF FOAM AND COATINGS www.carlislerfc.com</p>	<p>Carlisle Roof Foam and Coatings offers a broad range of coatings and spray polyurethane foam (SPF) insulations used in commercial roofing applications. SPF roofing systems are designed to provide a long-term, sustainable roofing solution that is seamless, watertight, and virtually maintenance-free. Acrylic, silicone, and urethane coatings are used as a component of SPF systems and can also be used as standalone products to restore existing aged roofs.</p>	<p>100 Enterprise Drive Cartersville, GA 30120 (844) 922-2355</p>

## Polyurethane Systems

Carlisle Spray Foam Insulation (CSFI) is a leading manufacturer of spray polyurethane foam systems. CSFI is focused on ease of use at the point of application and ease of doing business throughout the customer experience. CSFI is proud to offer market-leading product availability through the SealTite™ PRO line of spray foam insulation products, which are formulated to provide the highest level of thermal protection in both residential and commercial applications.

100 Enterprise Drive  
Cartersville, GA 30120  
(844) 922-2355

Carlisle Polyurethane Systems offers innovative high-performance polyurethane products that include binders, flexible and rigid foams, elastomers, casting resins, surface and specialty coatings, and adhesives. These systems span a wide variety of industrial, commercial, and consumer product applications.

2500 Adie Road  
Maryland Heights, MO 63043  
(314) 432-3200

Carlisle TyrFil is the world's first polyurethane tire fill material intended to flatproof tires. Today, Carlisle TyrFil is the leading global supplier of polyurethane tire fill and productivity technologies for Off-the-Road (OTR) equipment tires, OEM, and aftermarket – and can be found in over 65 countries. All of our product brands - TyrFil, TLC Tire & Rim Protection™, and ReSeal™ Tire Protection - are formulated to improve safety and increase productivity in demanding OTR applications, where operating equipment reliability is critical.

140 Sheldon Road  
Berea, OH 44017  
(800) 821-4147

## Weatherproofing Technologies

Carlisle Coatings & Waterproofing (CCW) offers high performance waterproofing and moisture protection products engineered for the demands of the 21<sup>st</sup> century building envelope. CCW offers technical services, research & development, and manufacturing capabilities from its headquarters in Wylie, Texas and two additional manufacturing facilities in Terrell, TX and Carlisle, PA.

900 Hensley Lane  
Wylie, TX 75098  
(800) 527-7092

Carlisle WIP Products manufactures premium construction products for steep-slope and low-slope residential and commercial applications. Water and Ice Protection (WIP) self-adhering roofing underlayments and EZFlash products offer ideal solutions for protection against water and ice damming while withstanding some of nature's most unfavorable weather conditions.

1285 Ritner Highway  
Carlisle, PA 17013  
(888) 717-1440

Henry Company is a leading innovator of Building Envelope Systems and develops integrated air/vapor barrier, roofing and waterproofing systems to ensure superior building performance. For more than 80 years, Henry has been the trusted source for proven Building Envelope Systems.

336 Cold Stream Road  
Kimberton, PA 19442  
(800) 486-1278
