

**Versico Roofing Systems' X-Tenda Coat™ Warranty Issuance Process**  
**July 28, 2021**

**To: Versico Roofing Systems' Authorized Contractors**

Effective August 31, 2021, Versico Roofing Systems will require the submission of X-Tenda Coat material invoices to be provided as part of the warranty submittal process. X-Tenda Coat material invoices must be included along with the Job Completion when you send your warranty submittal package to Versico.

The inclusion of X-Tenda Coat material invoices is required for all X-Tenda Coat Restoration System and Restoration Material Warranties.

[Job Approval](#) and [Job Completion](#) forms for X-Tenda Coat are found on the Versico website or attached to this announcement.

The Job Approval form should be completed and submitted to Versico's Warranty Department for approval prior to applying the coatings system. Upon completing the project, the Job Completion form and the product invoice must be submitted to Versico's Warranty Department.

Job Approval forms and Job Completion forms should be mailed, emailed, or faxed to the following address:
