

**80-mil VersiFlex™ PVC Walkway Rolls**  
**August 25, 2023**

**To: Versico Roofing Systems' Authorized Contractors**

Versico Roofing Systems is pleased to introduce its new 80-mil-thick VersiFlex PVC Walkway Rolls. Also available in a 110-mil thickness, Versico's heat-weldable PVC Walkway Rolls are designed to protect PVC and KEE HP membranes in areas exposed to repetitive foot traffic and other hazards.

**Features and Benefits**

- Increased slip resistance created with a herringbone tread pattern
- Superior weathering package for long-term performance
- Available in gray

The 80-mil walkway roll will be a stock item, and the 110-mil roll will be direct ship.

Product Code	Product Description	Roll Weight	Stocking Location
