

# MARKETING ANNOUNCEMENT

Authorized Applicator

**MA-2020-24**

**FAST™ 100 LV Dual Tank Adhesive Discontinued**

**December 21, 2020**

**To: Carlisle SynTec Systems' Authorized Applicators**

Effective January 1, 2021, Carlisle will discontinue its FAST 100 LV Dual Tanks. Until then, stocking locations and availability will vary as inventory levels diminish.

Flexible FAST Dual Tank Adhesive will serve as the replacement for FAST 100 LV Dual Tanks. Industry-leading Flexible FAST can be used year-round for both membrane and insulation attachment and is available in all packaging types.
