

CARLISLE'S AUTHORIZED APPLICATORS **MARKETING ANNOUNCEMENT**

EPDM-2011-23

**Carlisle ECH-1 Lap Sealant Discontinuation
December 1, 2011**

TO: Carlisle Authorized Applicators

Carlisle has been notified by our supplier that they will no longer manufacture and supply us with ECH-1 Lap Sealant. As a result, Carlisle will no longer offer ECH-1 Lap Sealant after the current inventory is depleted.

As an alternative to ECH-1 Lap Sealant, Carlisle recommends Sure-Seal® Lap Sealant.

Discontinued Products (effective when current inventory is depleted):

302173 – ECH-1 Lap Sealant

If you have any questions regarding this change in product offering, please contact your local manufacturer's representative or distributor.

Sincerely,

Eric Pushart
EPDM Technical Specialist
