

ALERT

**New Sure-Flex PVC Accessories
May 16, 2023**

To: Carlisle SynTec Systems' Authorized Applicators

Carlisle SynTec Systems is pleased to announce the expansion of its PVC accessories line, as well as the addition of membrane thicknesses with APEEL™ technology. Additionally, effective immediately, Carlisle will be discontinuing its heat-weldable PVC Overlayment Strip.

Highlights of the updates to the PVC product line include:

- Added 80-mil PVC APEEL membranes in white
- Added 80-mil PVC KEE HP APEEL membranes in white
- Added 60-mil PVC Reinforced Cover Strip in white
- Added PVC Molded Pipe Flashing and Universal Corners in light gray
- Discontinuing heat-weldable PVC Overlayment Strip, effective immediately.

Ordering information for these new products is detailed below.

Sure-Flex™ 60- & 80-mil PVC with APEEL Protective Film			
Product Code	Description	Unit	Stocking Location
