

Termination Bar Packaging Update October 2025

To: Versico Roofing Systems' Authorized Contractors, Distributors, and Independent Sales Representatives

Versico is excited to announce we are changing our Termination Bar packaging so that each carton is lighter, easier, and safer to handle when loading and moving it around the roof. The number of pieces per carton has decreased from 50 to 25 and the weight per carton has decreased from 73 lbs. to 40 lbs.

Current Packaging

Product Code	Product Description	Units	Stocking Locations	Weight	List Price	Pallet Quantity
300877	Termination Bar 1" X 10'	50 Pcs/Ctn	C, G, S, T	73	\$997.19	40 Ctn

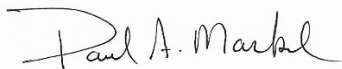

New Packaging

Product Code	Product Description	Units	Stocking Locations	Weight	List Price	Pallet Quantity
362381	Termination Bar 1" X 10'	25 Pcs/Ctn	C, G, S, T	40	\$498.59	86 Ctn

Termination Bars in the new packaging will be shipped after the old packaging is depleted from inventory. We expect to begin shipping product with the new packaging in October. Please ensure when ordering, you confirm with your customer service representative that the quantity being shipped meets your needs.

For questions, please contact your local manufacturer's representative.

Sincerely,

Paul A. Markel
Product Manager - Special Applications
