Warranty Addendum Anchor or Solar Attachment Systems

Subject to all the warranty terms of the Carlisle System Warranty, Carlisle warrants that the Carlisle brand membrane utilized in the Anchors or Solar Attachment Systems listed below is compatible with the Carlisle Roofing System. If installed by a licensed Carlisle applicator, the seam between the Carlisle membrane flashing on the solar attachment and the Carlisle membrane on the warranted roof system will be covered under the terms of the Carlisle System Warranty.

The following mounts are available with EPDM, TPO, PVC, or KEE flashing material and are compatible with Carlisle warranted roof systems:

- HB Solar SkyRack Mount
- Anchor Products U-Anchor 2400
- Anchor Products U-Anchor 3400
- OMG Roofing Products PowerGrip Plus
- OMG Roofing Products PowerGrip Universal 7 w/ OMG supplied CCM Flashing

Carlisle does not produce or sell any of the solar attachment systems listed above and does not assume any liability or warranty for the performance and watertight integrity of these products. Damage that may occur as a result of the installation or use of any of these attachment systems, including damage done to the Carlisle Roof System by the attachment system or any component or overburden attached to it, are the sole responsibility of the building owner.
