

**VersiCore® and SecurShield® 1/2" 20 psi Additional Bundle Sizes Announcement
November 21, 2023**

To: Versico Roofing Systems' Authorized Contractors

Versico Roofing Systems is pleased to announce lightweight packaging choices for our 1/2-inch 20 psi 4' x 8' polyiso boards. VersiCore and SecurShield products are now offered in two convenient bundle sizes: the existing 96-piece bundles and the newly introduced 45-piece bundles. The 45-piece bundles have been introduced to improve rooftop safety and efficiency. Please see the new product codes below.
